Down Syndrome
Australia

About the Congress program

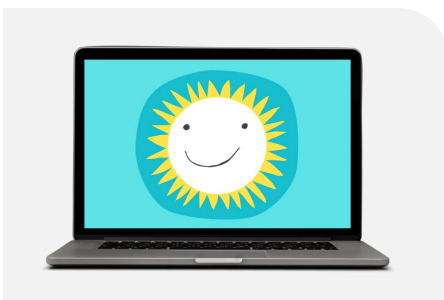

The program tells you what is happening at Congress.

It tells you about

- the talks you can listen to
- the events you can join.

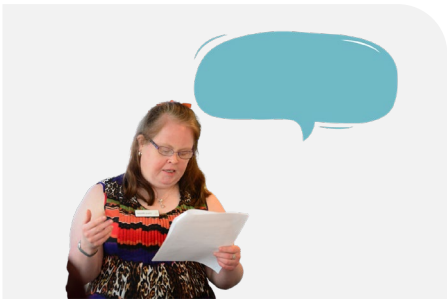

You can see the latest program on the website here:

Congress theme

The **theme** is the main idea for the 2024 Congress.

The 2024 Congress theme is
“Together we can: celebrating diversity
and inclusion”.

At Congress we will talk about:

- Health and therapy

- Education and employment

- Advocacy and being included

- Family life

- Personal development.

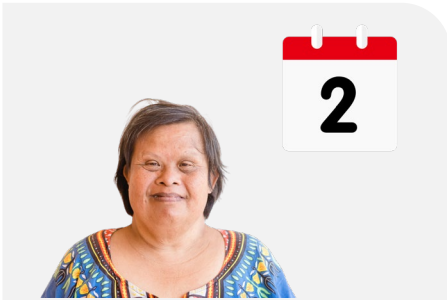

The Congress speakers are people who will give talks at Congress.

They may be:

- people with Down syndrome
- professionals, researchers or doctors
- family members and other supporters.
